

Your pets at Tacoma Power Parks

Pets are part of your family, but they can sometimes get in the way of other visitors.

We ask that you follow these rules to help avoid some common pet peeves.

You're in command

- Keep your pets under control in cages or on physical leashes no longer than eight feet. (Make sure someone is holding the other end of the leash.)
- Scoop the poop. We provide bags to make it easier for you.

Everything in its place

- Secure your pets within the boundaries of your campsite. At night, keep them in a tent or enclosed vehicle.
- Keep pets:
 - off swimming beaches
 - out of restrooms and showers
 - off the Taidnapam Park fishing bridge
- Do not leave your pets unattended.
- You may not tie pets to trees or shrubs.

Bark-a-thons not allowed

We will ask that barking dogs be removed from the parks.

Keep wildlife wild

- Please do not feed the wildlife.
- Keep your pets from harassing wildlife.

Some pets don't fit

Bringing livestock into the parks is not permitted.

Thanks for visiting Tacoma Power Parks!
